

“Saskatoon Shines with Synchrotron Light!”

Dr. William Thomlinson,
Executive Director, Canadian Light Source Inc.

Wednesday, January 15th @ 7 pm
Frances Morrison Library Theatre

Introduction by Peter MacKinnon,
President, University of Saskatchewan

Public Talk

After an extensive two year international search, the University of Saskatchewan has appointed Dr. William Thomlinson as Executive Director of the Canadian Light Source synchrotron, marking the start of the CLS's bright future!

Topics in his 60-minute presentation will include:

- Introduction to the Saskatoon community;
- What is a synchrotron?
- Applications of synchrotron light.

Meet members of the synchrotron team after the presentation.
